

DIY BUBBLE SNAKE

DIY BUBBLE SNAKE

NEEDED ITEMS

- Plastic bottle with bottom cut off
- 2-3 rubber bands
- Dish soap and water
- Bowl
- Food coloring
- Sock or piece of fabric

DIRECTIONS

Secure sock or fabric to bottom of bottle with rubber bands. Mix dish soap and water in a bowl, dip fabric end into mixture, and blow on the mouth end of the bottle to create your bubble snake!

Add food coloring for colorful bubbles!
